## 1 How is me?

- HGG
- My research
- My Bg

## Part One

### 2 Culprits

#### 2.1 agri culture

pesticides in 69.8 % of GRUMO points - over limits in 35.8%.

#### 2.2 Nitrate

##### 2.2.1 Pollution and consequences

**Limits**

**Health** - Cancer, bluebaby

**Drilling numbers** We can keep doing this for a while not because were good, but because we have so many resources.

#### 2.3 PFAS

#### 2.4 Government promises
